**B. To be completed by the department :**

**1. Please provide a summary of the purpose of this legislation (Justification Statement).**

The purpose of this legislation is to install an all-way stop Sign at the intersection of Forrest Way, N.E. and Peachtree Way.

**2. Please provide background information regarding this legislation.**

Forrest Way, N.E. and Peachtree Way is a "plus" intersection. Peachtree Way is the major street, the street without stop signs, and Forrest Way is the minor street, the street with stop signs. An analysis of this intersection found that sight distance was limited and the volume on the minor street was high in comparison to the volume on the major street; therefore, an all-way stop sign is warranted at this location. .
